

## Bakery Class

60€, from 7am to 11am

You will be introduced to the baking and pastry profession, learn the ingredients of bread and roll up your sleeves to mix dough, shape and bake the bread.

Famous all around the world, the croissant is also a baking sensation: learn how to make a batch at home.

On Monday, Thursdays and Fridays, get up early to meet the baker at the Montmartre bakery at 6am. You will be able to taste your products at 11am.
