

Effortless Bike Tour

4h, 45€/ day or night tour

Enjoy the association of the discovering of Paris and an effortless bike tour with a experimented guide who will reveal you all the secrets of the city either by day or by night! You will have the chance to promenade on unique electric bikes and explore all the famous areas but you will also be going out of the beaten tracks!

The tour includes:

- An original way of discovering Paris with a guide
- Special electric bikes which allow you to pedal for hours without effort!
- The visit of some hidden and secret areas of the City of Lights!
